Thank you for participating in the ICTC's Beyond the Cloud program.

This program is funded by Upskill Canada, powered by Palette Skills, made possible through funding from the Government of Canada.

As part of Upskill Canada, we have committed to tracking shared outcomes that will see job seekers from all diverse professional and lived experiences have access to greater career opportunities. As a result, we will be asking you a series of professional background and demographic questions. The information you share will help us monitor our progress toward those shared outcomes and make any program improvements.

With that said, we are committed to protecting your privacy. All responses will be kept confidential and only be reported to our funder or externally at an aggregate or summary level where it will not be possible to identify any individual response. Please contact [beyondcloud@ictc-ctic.ca](mailto:beyondcloud@ictc-ctic.ca) if you have any concerns.

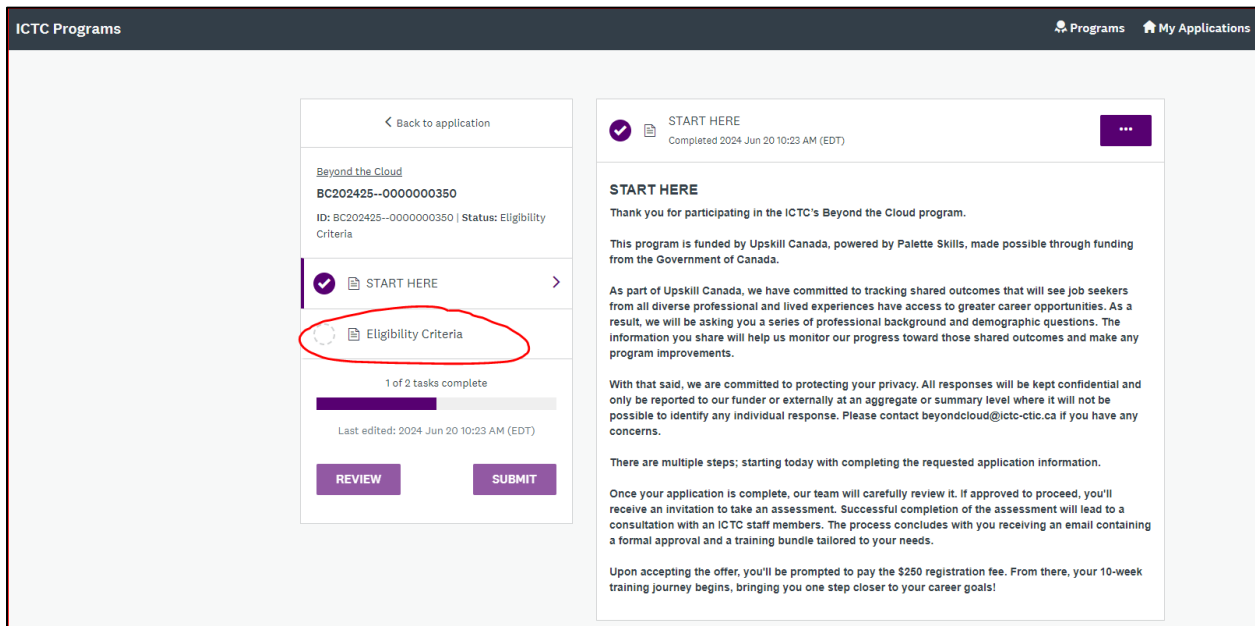

There are multiple steps; starting today with completing the requested application information.

Once your application is complete, our team will carefully review it. If approved to proceed, you'll receive an invitation to take an assessment. Successful completion of the assessment will lead to a consultation with an ICTC staff members. The process concludes with you receiving an email containing a formal approval and a training bundle tailored to your needs.

Upon accepting the offer, you'll be prompted to pay the \$250 registration fee. From there, your 10-week training journey begins, bringing you one step closer to your career goals!

10. When you have answered all the questions within this section, **“Mark as complete”** to move to the next part of your application.

ICTC Programs Programs My Applications

regarding information sources and accuracy

- Comfort with cloud-based virtual collaboration tools like Google Docs, SharePoint, etc.
- Minimum of Grade 11 math
- Aptitude for continuous learning
- Comfort with ambiguity. e.g., adapt to changing business needs and remove personal bias from work
- Comfort with giving and receiving feedback
- Demonstration of “self-starter” mindset and drive to succeed
- Understand that failure is an essential part of the learning process; ability to “bounce back”

Congratulations! You meet the basic eligibility criteria for ICTC’s new program Beyond the Cloud. Next, please fill in the application.

Please make sure to click the **“MARK AS COMPLETE”** button before you exit this page.

Thank you!
